

Sounds Star Moments

What a great (and sunny) first week back! I hope you have all enjoyed the sunshine. On Monday, the Year 2 children were in full swing with their Swimming. On Tuesday, the Year 6 children held their cake sale. A huge thank you to all the children and parents who supplied the yummy cakes! On Wednesday, we welcomed back Mrs Harries, who ran a Science afternoon with Year 5 and 6. On Thursday morning, the children took part in Town Sport Trials at Wrenbury. A great effort was given by all who took part and a particular thank you goes out to all the parents who helped with transport!

Next week, both the staff and children are very much looking forward to Art Week. We can't wait to see what masterpieces they create!

News in Brief

Marquee help needed

If anyone can spare 30 minutes or so on Saturday 23rd June at 10am, the PTA need as many people as possible to put the marquee up for the Summer Fair. Please let the office know if you can! Team work makes the dream work!

Summer Fair

We really need helpers to run stalls at this years

Summer Fair. Why not get together with some parents/friends of other children and come and man one of our stalls? Every little helps! Without this event, the school will not have to vital funds it needs for

next year. We do really need you!

If you can or you work for a company who would like to promote your business and/or can offer us any prizes, please contact the school office.

PTA Fathers Day

Letters have been sent home for this year's Fathers day 'secret room' on Thursday 14th June. Please send in your slip (and £5) and help put a smile on all those special dads and step dads' faces!

CHARITY STATUS

Your PTFA is now a registered charity!

In May, Friends of Sound School registered with the Charities Commission. This means we are a registered charity and we will have access to more sources of funds to help improve our school and the education and enjoyment of our children at school.

For you, our parent community, this means you might be able to help us raise funds more easily. Many employers support their employees volunteering for work, often specifically if it is for a charity. This can be by giving time off work, or providing Matched Funding.

The latter means that for any money you raise for the PTFA, your employer will donate the same amount.

If you are willing could we ask you to check to see if your employer has any of these schemes available to you, as the more money we can raise the more we can do for our children.

We will also soon be registering for Gift Aid, so any donations might accrue additional funds from the HMRC.

If you would like more information, please contact me on ashuker@shuker.net and I'll be happy to help!

Many thanks,

Anthony Shuker

Raising money for the Zoo

A huge well done to Lily in Sapphire who was presented with an incredible certificate for raising money for Zoo causes. We are so proud of her!

Lily was also able to feed the penguins, which she was thrilled about. She learnt about Humbolt Penguins from the lead penguin keeper Anne and held a real penguin egg before she went out to do the feed.

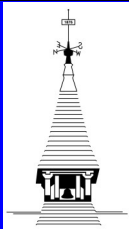

Lily is going to be on the Act for Wildlife website blog and she will appear in a little article in the zoo magazine as they want to highlight her achievement to try and inspire other children to raise money for zoo causes.

Sponsor a pot hole!

Thank you so much to everyone who has donated money to improve our parent car park.

The Governors are busily sorting out aggregates to put down and dates for the works. We will keep you updated...
