

Mrs Minshall-Thomas' Star Moments

Welcome back and a happy new year to you all. I hope everybody had a fabulous Christmas break. It's great to be back now, on a full time basis again and to spend time with the children, staff and school community. I must again thank Mrs Newton and all the Sound team for working so well together to continue providing such wonderful learning experiences for the children. A thank you to you (the parents) for the support you have shown me as well. What a great week it has been! On Monday, we had our new year assembly as we thought about the new year ahead and what resolutions we could set. In the afternoon, I had the chance to work with Reception on their mathematical skills counting Polar Bears! On Tuesday, Reception and Year 1 completed their first Swimming lesson. On Wednesday, I worked with the Year 3 & 4 class on their new Science topic and what great discussions were created. The Year 3 & 4 children were also incredibly excited about their Forest Schools session on Thursday afternoon. One of the highlights for the staff was the fire training on Thursday evening and using the fire extinguishers!
