

Sounds Star Moments

Monday saw a few additions to our playground...bikes! Lots of bright, colourful children's bikes, helmets and some very smiley Year 4 & 5 pupils! The children spent two days outside with our Bikeability team learning all about road safety and how to control their bikes correctly. Despite the sometimes continuous rain, all our children passed Level 1 (Year 4) and Level 2 (Year 5) with flying colours. Well done everyone!

Meet the Teacher

After school on Monday we welcomed all of our parents into school to 'Meet the Teacher'. We had a fantastic turn out and we must say a huge thank you to the PTA we put on cakes and drinks in the hall! We hope you managed to pop in and have a chat with them as we desperately need some new members to help us to raise money in school. Why not come along to the first PTA meeting (at school) on Thursday 20th September at 6.30pm and find out how you can help?

On Wednesday, Sapphire Class welcomed a Portrait artist into their classroom. 'Face Europe' are spending 5 years travelling to all the countries of the EU, drawing life portraits in public. Sapphire class had a great afternoon and Mrs Wagg's portrait was.....somewhat unique!

Finally on Thursday afternoon, Onyx class dissected a real sheeps heart with Mrs. Harries and learnt all about its different parts. They even got to have a feel of it!

Car Park

Please make sure that you park in the parent car park as if you were in a lined public car park. A lot of parents are leaving large amounts of space between their car and others, and this is therefore forcing some to have to park on Sound Lane. The lane is too narrow to do this and if we are not careful there will be an accident. If we all work together, we can ensure the safety of all our children, our parents and carers and our local community.

In addition to this, the car park at the front of school is for STAFF only. NO children are allowed to be dropped off at the front of school and the layby is for the bus only. Whitchurch Road is a fast road and any dropping off or picking up here presents a high risk of accident. From next Monday, the gates to the car park will remain closed throughout the day. Many thanks for your co-operation.

School Photographs

Please wash hair, bathe children and teach them the best smiles for next Thursday 20th September, as it is individual and family photo day!
