

Mrs. Minshall-Thomas' Star Moments

What a great week here at Sound. On Monday our Reception and Year 1 children enjoyed their swimming session. All clubs have also been in full swing this week, it has been great to see them so well attended. Thank you to all the members of staff leading their clubs. On Wednesday, we welcomed parents in Reception into our 'Stay and Learn' session. On Thursday, I had the opportunity to spend time with the Year 2 class digging for dinosaur fossils! A huge thank you to our Year 5 pupils and parents for the 'Year 5 cake sale' it was incredibly popular with all the school, including the teachers!

News in Brief

DVD Night

Please see our flier on page 4 for further information.

Liverpool Yr3&4 Residential

Our residential to Liverpool is creeping closer. We would like to provide a further parent meeting, to go through more details (such as what to bring) in preparation for the trip. We will hold the meeting on Monday 29th January @ 5:00pm. If you are unable to attend, we will send out relevant information to you.

Reception Parent Lunch

We will be holding our first Parent lunch on Tuesday 30th January 2018. More information regarding this event will be available shortly.

Year 1 Fun in Space!

This week in Emerald class we started our new topic, space! As a class we talked about what we already know and what we want to find out during this term. We then discussed how we travel to space and what we might need. We had lots of fun looking at videos of astronauts in space and watching them move around with zero gravity! We then made our own rockets, using teamwork and resilience to successfully follow the instructions.
