

### Sounds Star Moments

"We're singing in the rain.....what a glorious feeling....." Happy September everyone!

This week we been incredibly busy in school. Our Year 3-6 pupils are now all set up with their Accelerated Reader books and quizzing has already started. I wonder who will be the first to reach their targets?!?!

Mrs Allen and myself attended a Primary Writing Project Day on Tuesday (alongside 8 other primary schools) and shared our fantastic writing and progress that we have seen over the past year. We have been amazed at how enthusiastic our children are with their writing and we can't wait to share this with you all on Parents Evening.

# Democracy at Sound!

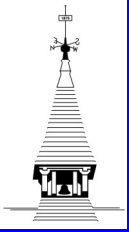

*Across the school, children have had a very busy week making lots of democratic choices! On Monday, each child in the school voted for their Year Six team, sports and vice captains! Well done to all the Year Six children who had prepared such brilliant, captivating speeches for their teams to help vote for the roles!*

*Later in the week, children thought about whether they would like to put themselves forward to being in the Sound Achievement Team and we had our polling day on Thursday.*

*The Sound Achievement Team works together on lots of important jobs. Each year group has two representatives and is joined by the Head Boy and Girl. We can't wait to get started on our busy jobs!*

*Well done children at Sound!*

### Buddies

We had a wonderful time meeting our Reception and Year Six buddies! Already we have shared stories, learnt some new playtime games and even made up a very secret buddy handshake! We have lots of exciting buddy activities planned for the year which we can't wait to get started with!

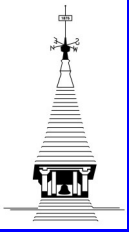

### Super New Starters

It's hard to believe the Reception children have only been at school a few weeks! They are doing so well in school getting used to the school and class routines and they are already working hard to be a Sound Superstar! It's wonderful to see the children finding out about the world and making lots of new friends! We can't wait for all the fun we will have this year! Written by Mrs Styles

### Important News

#### Car Park

Please make sure that you park in the parent car park as if you were in a lined public car park. A lot of parents are leaving large amounts of space between their car and others, and this is therefore forcing some to have to park on Sound Lane. The lane is too narrow to do this and if we are not careful there will be an accident. If we all work together, we can ensure the safety of all our children, our parents and carers and our local community.

In addition to this, the car park at the front of school is for STAFF only. NO children are allowed to be dropped off at the front of school and the layby is for the bus only. Whitchurch Road is a fast road and any dropping off or picking up here presents a high risk of accident. The gates to the car park will be closed from 8-9am and 2.30-5pm. Many thanks for your co-operation.
