

Mrs Minshall-Thomas' Star Moments

Another exciting week at Sound. On Monday night A huge thank you to all the Year 6 parents who joined Mrs Newton and Mrs Coleman to meet about SATS. On Tuesday, a group of our children attended 'Young Voices 2018' and what a fantastic time they had! A special thankyou to all that attended including parents and staff. Our year 3&4 children had a great time in forest schools on Thursday, even with all the rain and mud!

Wildlife Club

The wildlife club took part in the RSPB the Big School Bird Watch this week and entered a competition, to make and decorate a bird feeder from recycled materials. Alessa D'Amico won first prize. The bird feeders are now in the wildlife area and look fabulous. Thank you Mrs Ashley and well done Alessa!

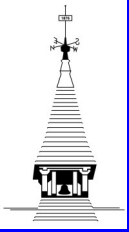

Songbird Fundraising

The Sound Achievement Team would love to say that our school raised £157.50 which is a gigantic amount. I am sure Chester Zoo will be very impressed and the money will go towards the conservation project to save the songbirds. Thank you everyone for your kindness and donations.

Yours Sincerely,

Tia (Year 6) on behalf of the Sound Achievement Team
