

### Sounds Star Moments

Bonjour! The Year 5 and 6's had the most amazing time on their trip to St Omer in France last week. From walking the trenches to eating snails, the children behaved impeccably and were even complimented by members of the public! Well done guys—we are so proud of you! A huge thank you to Mrs Cotterell, Mrs Huntbach and Mrs Coleman, who all waved goodbye to their families for our 4 day holiday....sorry educational visit!

This week we took a record number of 38 children (from Year 2-6) to the Cross Country competition at Malbank. They all ran their socks off especially as some were running for the first time! We are extremely proud of them all and we even came home with 3

medals: Freddie 2nd, Henry 3rd and Freya 3rd. Summer-Rose & Serenitie did a fantastic job gaining 4th place in their races.

As well as Cross Country, Miss Wade and Mrs Ashley took a team of Rugby extra-ordinaires to Crewe Vagrants yesterday. They all tried really hard and showed superb teamwork skills. Well done!

Finally, Sapphire class took a step back into World War II times on their trip to Tatton Park. The children played the roles as evacuees and spent time feeding chickens, milking the cow and learning all about life in those difficult times.

We wish you a great weekend!

Mrs Newton & the Sound Team.

### Important News

#### Car Park

Please make sure that you park in the parent car park as if you were in a lined public car park. A lot of parents are leaving large amounts of space between their car and others, and this is therefore forcing some to have to park on Sound Lane. The lane is too narrow to do this and if we are not careful there will be an accident. If we all work together, we can ensure the safety of all our children, our parents and carers and our local community.

In addition to this, the car park at the front of school is for STAFF only. NO children are allowed to be dropped off at the front of school and the layby is for the bus only. Whitchurch Road is a fast road and any dropping off or picking up here presents a high risk of accident. The gates to the car park will be closed from 8-9am and 2.30-5pm. Many thanks for your co-operation.
