

Sounds Star Moments

Another week has zoomed by at Sound and what an exciting time we have all had... On Monday & Wednesday

mornings, we welcomed our gorgeous new starters into Reception class and the rest of the school spent two mornings getting to know their new teachers

ready for September. Every class completed pieces of writing to start their new English books and show off what fabulous writers they all are!

Mrs Dale & Mrs Cotterell took our team of Cross Country extra-ordinaires up to Malbank on Monday and they all represented the

school with commitment and determination. Special mentions go to Freddie (Y4), who came 1st in his race, Henry (Y4), who came 2nd (to Freddie!) and Serenetie (Y5), who came away with 3rd. In addition, we had a group of Year 2 runners (who were running up as Year 3's) who tried their hearts out! Well done—we can't wait to see what you can do next year!

Our Children are
the Future

Weekly Newsletter : 06.07.18

On Thursday and Friday, our Year 1 & 2 pupils and staff took their bulging suitcases and trekked off to sunny Beeston for an amazing 2 days of fun and frolics! Candle making, low ropes, team building, den building, marshmallows and hot chocolate.....phew, I think they will sleep well tonight! A huge thank you to all the staff who have left their own families for the night to give our children this fantastic opportunity!

On Friday, the Year 6's had a busy morning being visited first by a Maths teacher from Brine Leas who taught them all about Algebra and why it's so important in our world, and then Mr and Mrs Taylor & Catherine Davies from Sound & Broomhall Chapel came and presented them with 'Moving Up' books that they have kindly donated. Again, a huge thank you must go to them for all their support over the year (s).

Also on Friday, two members of our Year 5 class spent the day at Brine Leas with Mrs Coleman making a film based on celebrations and anniversaries for SchoolsFest tomorrow. If you get chance, pop down to St Marys Church on Saturday and have a gander at their professional work!

We wish you all a fabulous weekend!
Mrs Newton and all the staff at Sound.

Celebration Assembly

Please come along and help us to share our achievements and successes at our annual Celebration Assembly on Monday 23rd July at 2pm. We will even find out which team has won the first ever, brand spanking new Team Trophy!

Parental help for next year

Calling all parents, friends, grandparents, next door neighbours...if you have even 30 minutes spare in your week we NEED your help! We are desperately in need of bodies to hear our children read as much as possible each week. Please let Mrs Cotterell know if you are interested and we will welcome you with open arms and a cup of tea!

Equally, if you would like to volunteer in other ways, please let us know...there are a million and one jobs that we can find! Teamwork makes the dream work!

Nantwich Show

As Nantwich show is an important community event for the people of Nantwich and surrounding areas, the Governors and staff would like to support this by encouraging any families who would like to take their children to do so if they wish. The event is unusually on a school day (the last day of term-Wednesday 25th July), however if you let Mrs Cotterell know that you will be attending the show, then we are allowed to authorise this absence.

Dear Parents/Carers,

School Funding Success

I am writing to share some very exciting news with you.

After an incredibly long and hard process, we have successfully managed to secure funding in order to build a new classroom. This classroom will be located in the area between the current Year 5 & 6 classroom and the toilet block.

Whilst this is not an attempt to expand our school, it is a huge step forward in improving our learning environment, enhancing our provision and in ensuring that we can provide the best possible Primary school experiences for all our pupils.

I would like to take this opportunity to say a huge THANK YOU to everyone who has been part of this process, particularly Mr Banbury (Governor), who has given up so much of his own time to attend meetings and provide invaluable information.

Next year, the PTA/Friends of Sound will continue to help us raise funds for our school: to furnish our new classroom, improve our IT equipment and to enhance our resources. We very much appreciate your support and involvement in this.

We will keep you updated with the progress of the build in our weekly newsletter. Finally, if there are any parents who can/would like to offer their services in the build process, please let us know as we will be putting the build out to tender.

Many thanks for your continued support,

Mrs K Newton

CHARITY STATUS

Your PTFA is now a registered charity!

In May, Friends of Sound School registered with the Charities Commission. This means we are a registered charity and we will have access to more sources of funds to help improve our school and the education and enjoyment of our children at school.

For you, our parent community, this means you might be able to help us raise funds more easily. Many employers support their employees volunteering for work, often specifically if it is for a charity. This can be by giving time off work, or providing Matched Funding.

The latter means that for any money you raise for the PTFA, your employer will donate the same amount.

If you are willing, could we ask you to check to see if your employer has any of these schemes available to you, as the more money we can raise the more we can do for our children.

We will also soon be registering for Gift Aid, so any donations might accrue additional funds from the HMRC.

If you would like more information, please contact me on ashuker@shuker.net and I'll be happy to help!

Many thanks,

Anthony Shuker
