

THE PRIMARY WRITING PROJECT

TUESDAY 10TH OCTOBER, 2017.

“The PWP aims to motivate children and teachers as writers, developing classrooms and whole schools where everyone is passionate about writing and passionate about reading.”

THE BRAIN CHILDREN

In their own words...

What children in PWP schools say about writing

I really like writing and it has helped me to swap between the English language and Polish.

I love coming in with my own ideas for writing a story. I love writing stories!

Writing is my favourite thing in my life and is so easy!

Year 4 pupil
Cheshire 1 Partnership

Year 6 pupil
Cheshire 2 Partnership

Year 2 pupil
Cheshire 1 Partnership

At the start of year 3 I was rubbish at writing but now I have improved a lot.

When I write I like it to be quiet and the lead of my pencil to be pointy.

Year 3 pupil
Coventry Partnership

Year 6 pupil
Cheshire 2 Partnership

I love writing because it is craft and I

It is really

I am writing a story called the story of Skylander Super Force

WHAT SCHOOLS' SAY...

West St Leonard's Primary Academy School

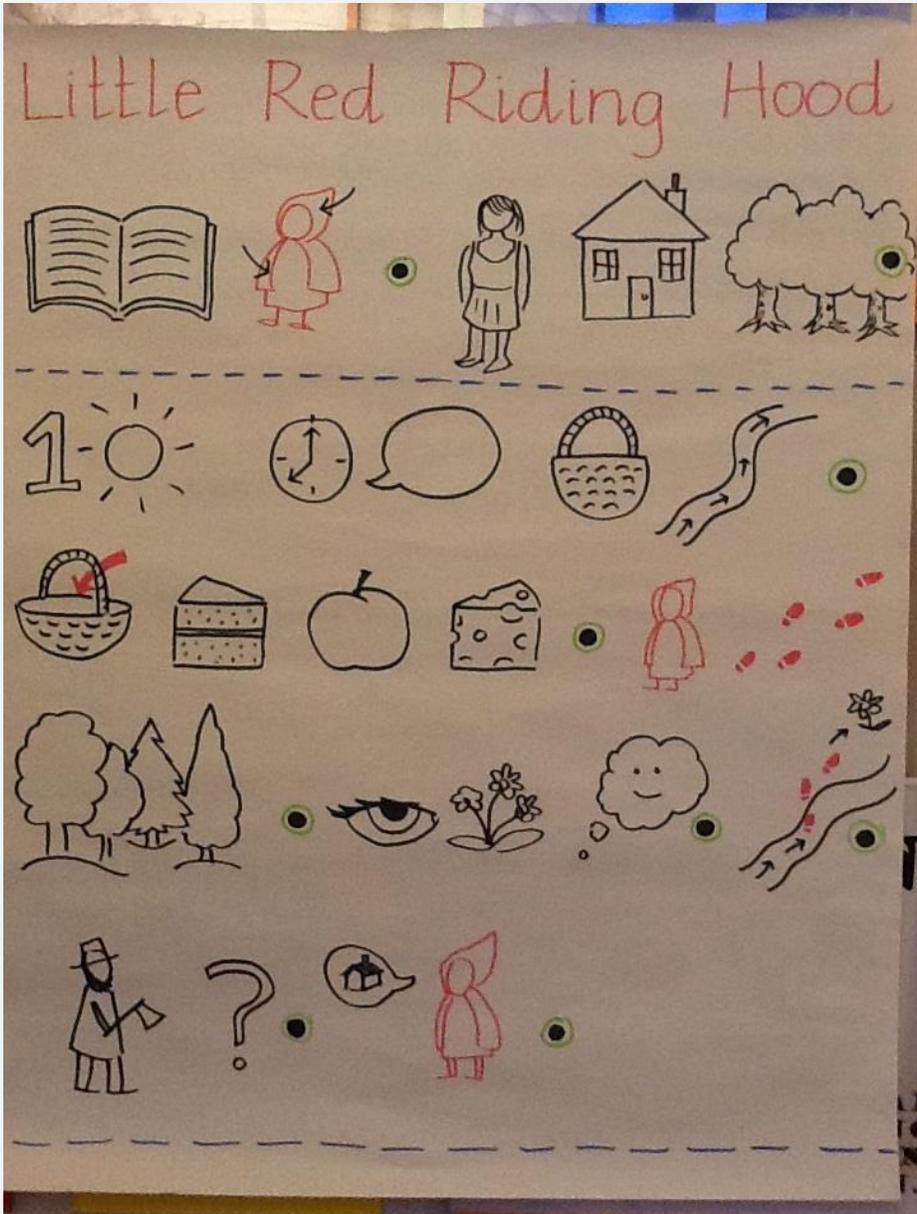

- “The teaching of writing is exemplary. Teachers use a structured, cross-curricular approach that makes use of high-quality texts and develops high-level vocabulary exceptionally well. Teachers regularly demonstrate their approach to colleagues from other schools.
- Writing skills are applied well in other subjects such as science and humanities. The focus on language and communication across the curriculum is a key element of the strong teaching that inspectors observed.”

T4W SEQUENCE

PIE IN ACTION...

Aims

- 1. To introduce you to some of the key elements of the Primary Writing Project.**
- 2. To get you excited about writing!**
- 3. To have a go & have fun!**
- 4. To give you some ideas that you can take home with you!**
