

### Mrs. Minshall-Thomas' Star Moments

A great scientific week at Sound! The children have been very busy taking part in some fantastic experiments. On Monday, we had an assembly introducing Science Week and some interesting discussion on what characteristics make a good Scientist. All our Sound Superstars were in there ! On Monday evening, all the children were fantastic at the Cross Country. Everyone was incredibly proud of each and every one of them. On Wednesday, Reception and KSI had a fun 'Diddy Rugby' taster in school. On Thursday, I had the chance to spend time in Reception, Year 1 and Year 3&4 in their Topic and Art lessons. On Friday, we had our Celebration Assembly, which all the children and staff look forward to at the end of the week.

## Message from Friends of Sound

### Amazon Smile

Hi all parents, teachers and Friends of Sound. I have just used [smile.amazon.co.uk](http://smile.amazon.co.uk) when I made a couple of purchases online and it was really simple. Now that we are a registered charity the PTA will receive a donation from amazon on every purchase that is eligible, which seems to be most.

To support this charitable organisation, always shop at [smile.amazon.co.uk](http://smile.amazon.co.uk). You can find Friend of Sound School when you are asked to choose a charity. Give it a try next time you're planning to make a purchase. Every little extra funding we can get, makes a difference to the school and our children's education.
