

Our journey to Emerald Class!

Welcome to Emerald Class!

This is the door we will enter in the mornings! We make sure we stand smartly in the line!

Here is Mrs Minshall-Thomas with the Emerald children from last year. We will have tables, chairs and the interactive whiteboard like we had in Diamond Class!

We had a little visit to Emerald class. You got to see where we have to line up to go inside, our wonderful new classroom and also the area outside where our pegs are kept. We also saw where the toilets are that Year One children use.

Our classroom areas!

We have a wonderful classroom in Year One!

This is our carpet area.

The pegs are kept just outside the classroom. See if you can spot the clock in our cloakroom!

We have a small outside area to learn in too!

Things to look out for in our Year One classroom!

Our Sound Superstars! Can you spot them in our new classroom when you start in September?

These are the new labels to go on your peg! The pegs are just outside of the classroom.

Your peg has your team colour on! Remember to look out for your peg on our first day in Emerald Class!

Here are some of the things that you made and will be joining us in Year One! We have our birthday photos with our crowns, our nature poem we wrote together, our Emerald collage and the days from the Creation story.

Remember to see if you can spot all of these things on your first day in Year One!

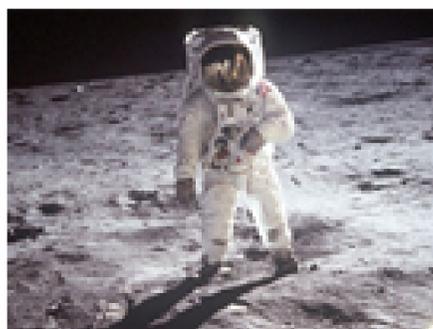

Our topics in Emerald Class!

I was so impressed with how hard you worked during our topics during the last half term in Reception! We were so busy with our Under the Sea and Pirate topic as well as with French week, Sports week and Art week too!

In Year One, we will have lots more fun and exciting topics to help us to learn more about the world we live in! Here are some topics we will be learning about in Year One! We will be very busy and have lots of fun!

Marvellous me

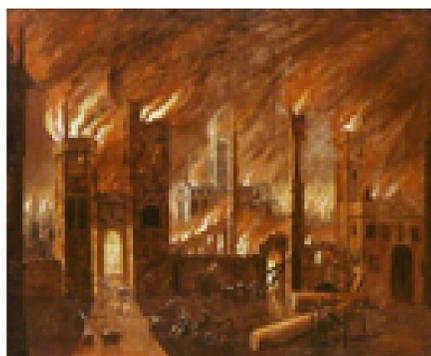

Space

The Weather

Planting and growing

Great Fire of London and Nantwich

Life in the jungle

We will explore the seasons too!

Emerald Bear!

We have met Emerald Bear who is a special new friend in
Emerald Class!

He will be joining us in class and each week he will get to
go home with someone in Emerald Class!

When it is your turn, you can take Emerald Bear on lots of
adventures and write in his diary! We can't wait to see all
the adventures Emerald Bear will go on in Year One!

Marvellous Me!

Summer holiday task

Over the Summer holidays I would love you to create a 'memories' box. Decorate an old box (or something such as a shoe box) and fill it with lots of things that remind you of all the fun and exciting things that you have done over the holiday. Examples of things you could put in the box are; a stick of rock or postcard from your holiday destination or somewhere you went on a day trip to, a souvenir, photographs of you, or you and your family, doing something fun, a tourist leaflet from a place you visited or a drawing of something you did. There are no restrictions on what you might like to include, and I want you to have lots of fun gathering the items and talking about the things you have done.

In September, please bring your box into school and over the following weeks (during our first 'Marvellous Me' topic) you will get the chance to share your summer memories with the class.

The boxes and items will be returned home at a later date.

I can't wait to see you in September and hear all about your Summer Holidays! I will make a memory box too!

Mrs Styles
