Mrs. Minshall—Thomas' Star Moments

A busy and exciting week at Sound. On Monday, our new Diamond Class had their full first day. They have had a wonderful week and what great lining up champs they are! On Tuesday, Year 4, 5 and 6 enjoyed their first Swimming session. They were so excited about their first trip out in such a long time. On Thursday, Opal class had a fun-packed time at their Gymnastics session. A sporty end to the week with Bikeability for Year 4. Also this week, our new House Team Captains, Vice Captains and Sports Captains were announced. A huge congratulations to everybody.

What's coming up next week ...

Next week is our Year 5 & 6 Residential. The children and staff are so excited and have been talking about it already all week.

News in brief

Diamond Class News!

Diamond Class had a new arrival on Thursday! One of our stick insects hatched and we named him Iron Man. We did a class vote to choose his name!

Well done Harry!

Harry achieved his Bronze Swimming award last week.

Topaz Riddles

TOPAZ CLASS

I fly frantically
I get played with wildly
I am the colour of a newspaper
I am as fast as lightning
I get played on grass a lot
I hardly get a rest

What am I?

By
Charlie Vorwerk and Charlie Johnson

I am as bright as a light
I am as hot as a desert
I am a heat maker
I am defeated by water
I am as yellow as a pen
I am as round as a circle

What am I?

By Poppy Sharpe

I am hotter than fire
I am in the sky
I am like the majestic moon
I am the hottest thing in the world
I am so bright that I can make you blind
I am like a lemon on a blue plate

What am I?

Summer Ellis

RIDDLES

It is entertainment for children
You can do it yourself
It can come in different colours
You can get a book to learn
You can make your own songs to
perform to people
It has 6 strings
It can also strum to make a tune

What am I?

By Esther Kyle

I am a huge green and blue circle
I am full with train tracks
I am your life
I am full of cities, towns and villages
I am like a huge disco ball
I am a gigantic ball

What am I?

By Betsy Baldwin and Freddie Armitt

I am gleaming white like a pearl in the
coral reef
I am as cold as an iceberg
I am as slippery as ice and wet
I am played with in the garden
I am as soft as your bed
I am thrown at people in winter

What am I?

School Procedures

Attendance

There is now an imperative to reduce the disruption to children and young people's education. Therefore, if your child is well, they need to be in school. This is the best for their social, emotional and academic well-being and is what we are required to ask of our parents/ carers from September. See **page 4** for a flowchart showing when self isolation is needed in relation to COVID.

Remote Learning

The school will provide online learning for those children who have to self-isolate. The work will be shared through Microsoft Teams. All of this information was shared before the holidays. Please contact the school office if you still cannot access Microsoft Teams. New starters this academic year will be set up with a Microsoft Teams account and information will be shared very soon. It is very important that you let school know if your child needs to self isolate due to COVID so that the class teacher can arrange work to be sent. Please inform the school immediately.

Home/School Communication Diaries

The children will all have a school diary now, which the teacher/child will use to communicate various information to you. Please ensure your child brings it in each day and record any reading that is completed at home. The staff will also be checking them on a regular basis.

PE Sessions and Swimming

A separate letter will be coming out regarding your child's swimming sessions. The days when your child has PE, a Sports After School Club or Swimming they must come into school in their PE kit. This is a blue hoodie or blue school top as shown below, white t-shirt and black leggings/joggers or shorts. If your child is attending an after school sports session, they will also need to wear their school PE kit. **Hoodies are just for PE/Sport days only.**

Class Structures at Sound

This year we again have 6 classes through school. In Key Stage 2, we have Year 3 as Opal Class. Topaz and Onyx class are mixed age classes. The Year 5 split has been done purely by their date of birth, with the younger children in Topaz and the older children in Onyx class.

Uniform Expectation

Please see our school website page for the correct school uniform and footwear.
