

# Our journey to Emerald Class!

# Welcome to Emerald Class!

This is the door we will enter in the mornings!  
We make sure we stand smartly in the line!

We hope you enjoyed your visit to Emerald Class in July!  
You got to see where we have to line up to go inside, our wonderful new classroom and also the cloakroom where our pegs are kept.  
We also saw where the toilets are that Year One children use.

We hope you have a fantastic time in Year One!  
It is lots of fun and we get to take part in so many exciting activities!

Like in Reception, we will have a Christmas Performance, go on more swimming lessons and take part in the fun team days!  
In Year One, we go on our first residential visit with the Year Two children! It is so much fun in Emerald Class! 😊

# Our classroom areas!

We have a wonderful classroom in Year One!

This is our carpet area.

The pegs are kept just outside the classroom. See if you can spot the clock in our cloakroom!

We have a small outside area to learn in too!

# Things to look out for in our Year One classroom!

Our Sound Superstars! Can you spot them in your new classroom when you start in September?

These are the new labels to go on your peg! The pegs are just outside of the classroom.

Your peg has your team colour on! Remember to look out for your peg on our first day in Emerald Class!

Keep an eye out for Emerald Bear! He is very special and he spends lots of time helping us in our learning! Each week we will choose an Emerald of the week and that person gets to take him home over the weekend! I wonder what you will get up to when it's your turn to take him home!

Remember to see if you can spot all of these things on your first day in Year One!

# Our topics in Emerald Class!

In Year One, we will have lots more fun and exciting topics to help us to learn more about the world we live in! Here are some topics we will be learning about in Year One! We will be very busy and have lots of fun!

Marvellous  
me

Super  
Sound

The  
Weather

Planting and  
growing

Great Fire of  
London and  
Nantwich

Seaside

We will explore the seasons  
too!

# Marvellous Me!

## Summer holiday task

Over the Summer holidays we would love you to create a 'memories' box. Decorate an old box (or something such as a shoe box) and fill it with lots of things that remind you of all the fun and exciting things that you have done over the holiday. Examples of things you could put in the box are; a stick of rock or postcard from your holiday destination or somewhere you went on a day trip to, a souvenir, photographs of you, or you and your family, doing something fun, a tourist leaflet from a place you visited or a drawing of something you did. There are no restrictions on what you might like to include, and we want you to have lots of fun gathering the items and talking about the things you have done.

In September, please bring your box into school and over the following weeks (during our first 'Marvellous Me' topic) you will get the chance to share your summer memories with the class.

The boxes and items will be returned home at a later date.

We can't wait to see you in September and hear all about your Summer Holidays! Emerald Bear will also share his special summer holiday memories with you too!
