

### Mrs. Minshall—Thomas' Star Moments

It has been another great week full of wonderful learning experiences. On Monday, we had our whole school focus assembly on one of the British Values 'Individual Liberty'. The children came up with some great discussions and examples. On Tuesday evening, our Netball Team won the Crewe & Nantwich Netball Final getting through to the County Finals, which is an absolutely amazing achievement. All of the Sound Team are incredibly proud of what they have achieved. Thank you to Mrs Booth (the coach) and to all the parents who attended to cheer them on! On Friday, we all had the excitement of snow and our Friday Celebration Assembly, where we shared all achievements in and out of school.

### What's on next week...

Next weeks Monday's assembly is based on British Science Week. British Science Week is organised by the British Science Association and is a celebration of science, technology, maths, and engineering and the study of these subjects within the British Isles. On Monday after school it is our Cross Country Competition Y3-6.

A huge thank you to Mr Meredith Hollings and Mr Aldridge who spent time over the week-end pulling out the old football posts! Also, thank you to Theo who also helped!

## Microsoft Teams

All of the children have their own account details for Microsoft Teams. If you are unsure of the password please let us know. PLEASE NOTE: you do not need to use the account to log on to teams for parents meetings. Information on how to do this will be shared next week.

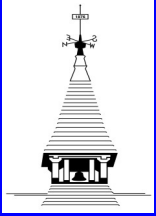

## Spring Parents Meetings

This term our Spring Parents Meetings will be online through Microsoft Teams. However, we will be having further dates in Summer for you to come into school to look at books, see the teachers and discuss reports. Details will follow.

### Upcoming Events (in red new date)

- 13.3.23—British Science Week
- 13.3.23—Full Governing Body Meeting

### Reception and KSI Easter Bonnet Parade

#### Easter Bonnet - Thursday 30<sup>th</sup> March 2023

Reception, Year One and Year Two children

Dear Parents and Carers,

To celebrate Easter, we have planned an Easter Bonnet parade for the children and we would like to invite you to school to share in the celebration.

In preparation, we would like all children in Reception, Year One and Year Two to design and make their own Easter bonnet. Shown below are several examples of Easter bonnets from previous parades. The more creative the better! Please send these bonnets in with children on the day of the parade.

You are invited to school from 9am to watch the parade, which will showcase the Easter bonnets that the children will have made. In good weather, this will take place outside. In poorer weather conditions, this will take place inside the school.

Thank you for your support and we hope to see many of you there on Thursday 30<sup>th</sup> March.

We can't wait to see the cracking and egg-cellent designs!

From all the staff in Reception, Year One and Year Two.
