

Mrs. Minshall—Thomas' Star Moments

It has been a great last week of the term with lots of exciting learning happening throughout the week. On Monday morning, I had the opportunity to spend time with Emerald class completing their outdoor math's activity. The children were really enthused about their learning! In the afternoon, I completed a whole school assembly with KS2 children based on Staying Safe and Speaking Out! This also included talking to the children about Online Safety and remembering the SMART rules. Also this week, we had our pre-school reading visits which were wonderful! Thank you to those who attended and to Miss Williams-Day for organising. On Friday, we had our Valentines Day & Random Acts of Kindness day. The children had a wonderful time working with other teachers and peers. The teachers even enjoyed their challenge in the hall in assembly!

Finally, I would like to wish you all a wonderful half term break with your family and friends.
