

Mrs. Minshall—Thomas' Star Moments

A great kick off to the week with our Science Assembly— thank you to Miss Williams-Day for leading on this. Also this week, I have had the opportunity to spend time with Reception. They have been fabulous and have worked really hard with their learning. The children in Topaz class have been enjoying their gymnastics, learning new skills and the Year 1 children are enjoying their outdoor learning at Forest Schools.

Finally on Friday, we had our Celebration Assembly with lots of awards and certificates given out for some amazing learning linked to our Sound Superstars (our key values).

What's on next week...

On Monday, it is the rearranged date for the Cross Country. On Tuesday and Wednesday it is our Parents Evenings on Microsoft Teams. The school office will send your class link out on Monday. **Please note** the class times below as there are a few variations. On Friday, there is a Year 5&6 Football tournament at Crewe Soccer Centre 12-4pm. Letters are coming out today.

Thank you to all who completed the Lottery Awards For All Questionnaire, we have been granted the bid so we can build an outdoor shelter in our EYFS area.

Microsoft Teams

All of the children have their own account details for Microsoft Teams. If you are unsure of the password please let us know. **PLEASE NOTE:** you do not need to use the account to log on to teams for parents meetings. Information on how to do this will be shared next week.

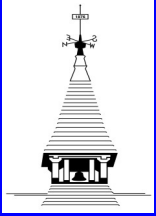

Spring Parents Meetings

Topaz Class Parents Meetings will run from Wednesday afternoon into Wednesday evening.

Opal Class Parents Meetings will be on Wednesday 22nd March and Thursday 23rd March in the Evening
