ISSUE 6

### Mrs. Minshall—Thomas' Star Moments

It has been a busy and productive week. On Monday, I completed assemblies through school with our focus on 'Mutual Respect' - one of the 5 British Values. The children shared some great ideas!

On Wednesday, the Lacey Green English Teaching Hub came in for their first visit to look at how the Little Wandle programme was working in school. They were really impressed with our children and staff and the progress we had made since starting the new programme. The English Hub will be working with the school over the next 2 years which will be invaluable.

Finally on Friday, we had our Celebration Assembly.

#### What's on next week....

The school will have their Remembrance Assembly and will complete relevant activities throughout the week in school.

*On Monday 13th November, it will be our Odd Sock Day to mark the start of Anti-Bullying Week and to encourage people to celebrate each others differences.*

## Attendance Reminder

The schools whole school target is 96.7%. Unfortunately, over the last few months there has been quite a few weeks we have been under this target and in some cases under the National average.

We understand that children are ill, however, we cannot stress enough the importance of good attendance and as a school we want to promote this as much as possible so that we do the very best for our children. The school are here to support families and we will be in touch if there are concerns with attendance.

Please can we continue the strong parent-school partnership to help raise and promote strong attendance at Sound School.

#### Upcoming Events (in red new date)

- 6.11.23 –Academy Photos  
Individual
