## Photo of me

My name is Miss Hembury-Hayward and I will be your teacher this year! Most of you will know me from around school as I have worked in Emerald Class for the past year. Before I became a teacher, I worked in Nursery and Forest School.

I live with my partner, Jon, and our four pets.

## A list of my favourite things

I am a kind and caring teacher who is always here for you to talk to. I want us to have a fun year with new and exciting learning opportunities! The only thing I expect you to do every day is to treat each other with respect and kindness. This will help us build a class family that trusts and supports each other when we get things right and when we make mistakes.
