# This term we are teaching Phase 3

Last term we taught your child to blend and read words with Phase 2 graphemes.

In Phase 3 children learn:

- the vowel digraphs and trigraphs
- to read words containing the Phase 3 digraphs and trigraphs
- to read longer words ('chunking').

Reception Spring 1

# Reading words with vowel digraphs/trigraphs

- During Phase 2 we taught your child to blend using the teacher-led blending approach.
- Now they can start to blend independently.
- Children are taught to spot the digraph/trigraph in words first.

# Reading longer words

- During Phase 3, we start teaching children how to read longer words.
- We do this using a method called chunking.

## Little Wandle Letters and Sounds Revised 2021: Programme progression

### Reception and Year 1 overviews

This programme overview shows the progression of GPCs and tricky words that we teach term-by-term. The progression has been organised so that children are taught from the simple to more complex GPCs, as well as taking into account the frequency of their occurrence in the most commonly encountered words. All the graphemes taught are practised in words, sentences, and later on, in fully decodable books. Children review and revise GPCs and words, daily, weekly and across terms and years, in order to move this knowledge into their long term memory.

Children need to learn to read as quickly as reasonably possible, so they can move from learning to read, to reading to learn, giving them access to the treasure house of reading. Our expectations of progression are aspirational yet achievable if schools maintain pace, practice and participation by all children. Children who are not keeping-up with their peers should be given additional practice immediately through keep-up sessions.

# Reading and spelling

# This term's spelling

- This term, your child will be taught how to spell words every day using the graphemes they have been taught so far.
- They will practise writing a dictated sentence.
- Handwriting is referred to but is taught at other times of the day.

# How we teach spelling – a recap

- Say the word.
- Segment the sounds.
- Count the sounds.
- Write them down.

# How do we teach reading in books?

## Reading practice sessions are:

- timetabled three times a week
- taught by a trained teacher/teaching assistant
- taught in small groups.

Books are matched to children's level through assessments.

# Reading a book at the right level

## This means that your child should:

- know all the sounds and tricky words in their phonics book well
- read some of the words by silent blending (in their head), so their reading becomes automatic
- stop and sound out some words by the time they bring the book home – but they should be able to do this on their own.

# Reading at home

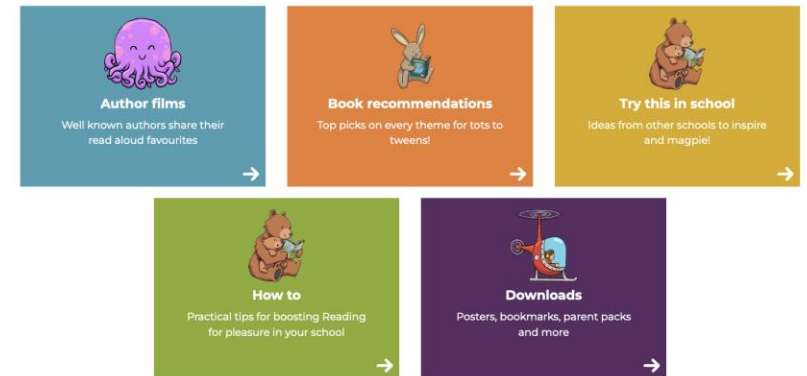

# The most important thing you can do is read with your child

Reading a book and chatting had a positive impact a year later on children's ability to ...

- understand words and sentences
- use a wide range of vocabulary
- develop listening comprehension skills.

The number of books children were exposed to by age 6 was a positive predictor of their reading ability two years later.

[Little Wandle – Everybody read!](#)

# Books going home – a reminder

# Listening to your child read their phonics book

- Your child should be able to read their book without your help.
- They might sound out words and blend them before they read them fluently.
- If they can't read a word, read it to them.
- Talk about the book and celebrate their success.

# Read to your child

## The shared book is for **YOU** to read:

- Make the story sound as exciting as you can by changing your voice.
- Talk with your child as much as you can:
  - Introduce new and exciting language.
  - Encourage your child to use new vocabulary.
  - Make up sentences together.
  - Find different words to use.
  - Describe things you see.
