2016 KS2 English writing exemplification

This first person narrative effectively captures the tension and drama of the minutes immediately before the dancer goes on stage. The concluding sentence, emphasising the smallness of the girl, provides a dramatic contrast with the carefully built up sense of a momentous occasion, leaving the reader to imagine the performance.

The immediacy of the situation is conveyed in the first 2 paragraphs by the use of the present tense, including the progressive form. In the final paragraph, the dancer appears to step back from and comment on the experience, before using the past tense for dramatic effect to describe her entrance onto the stage.

Atmosphere and anticipation are created across the 3 paragraphs through the minute recording of physical sensations (*an unexpected flutter*); the inclusion of vivid backstage description (*tall skinny girls chattering and giggling*); and the relief in the final sentence that, at last, the terror of the wait is over.

The Applause

I am in the dressing room with the music ringing in my ears; the small room is bustling with tall skinny girls chattering and giggling. **But** - but all I can think of is the stage and the applause. **My racing heart thuds**

Controlled multi-clause sentence consists of 3 co-ordinated clauses, separated by a semi-colon and a dash, to introduce and orchestrate all the elements of the crowded scene. (GP)

underneath my silky tutu. Thud. Thud. Thud.

Single clause sentence and repetition of vocabulary and structures build tension. (GP)

Then suddenly the stage director is at the door, calling my name. My name. My stomach gives an

unexpected flutter and I take a deep breath. **As the stage**

Multi-clause sentence incorporates a fronted subordinate clause and a series of independent clauses separated by dashes. (GP)

door swings open, I tell myself everything will be okay - nothing could possibly go wrong - I have been training for this since the age of three. **Fat Bulky men with headsets**

and clipboards keep ushering me in the right direction.

Expanded noun phrase (incorporating a preposition phrase) creates effective compressed description. (GP)

Half of me wants to run onto stage and dance my heart out but there is also a part of me that wants to go and hide away. Adrenaline ~~was~~ is circling its way around my body and rushing into my fingertips.

Walking into the wings is like waiting for your death. Although I was **extremely** excited, I was **even more** nervous. I stopped a few centimetres from the stage

Use of adverbs provides balance and emphasis to the sentence. (GP)

# Home - School Communication

It is really important that as a school we keep strong communications between home and school. You can use the methods below to share information with staff at Sound.

- Use the children's diaries/planners to record reading through the week.
- If you wish to speak directly to a member of staff (and it is something you would rather not share in the planner or **SHOULD NOT BE SHARED ON CLASS DOJO**) either ring the school office (01270780270) to arrange a meeting or email [admin@sound.cheshire.sch.uk](mailto:admin@sound.cheshire.sch.uk) . They will then get back to you as soon as possible. Please add for the attention of (add teacher/staff member it is for)
- All communications should first and foremost go through to the class teacher, unless it is something which is needed to be directed to the Deputy, Headteacher.
- We will be keeping you regularly updated through the website, Facebook, Class Dojo and newsletter about what your child is doing in class.
- Reminders, or other general information will go through our teachers2parentsapp and Class Dojo. We will be keeping both running as we trial its use for the whole school. Microsoft Teams will be used for Virtual Parent Meetings.
