

# Pupil Premium Strategy Statement

## Sound and District Primary School 2025 / 2026

'The pupil premium is additional funding given to publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers.

Pupil premium funding is available to both mainstream and non-mainstream schools, such as special schools and pupil referral units.

### Funding for 2025 to 2026

**2. Attainment Yr. 6 (July 2024)**

**Context:** There were 14 children on the PP register. 7 of our PP children have SEN needs. The focus last year was centred around improving the progress and attainment of our PP children. The progress made by PP children at the end of KS2 was in line with progress made by non PP pupils. Internal Assessment Data. The attainment at the end of KS2 for Pupil Premium children was the expected standard in reading and the progress for maths and writing was expected/above. The drive to close the attainment gap was evident in our daily practice and the following data shows the impact of this more clearly.

100% of PP children had access to well-being support by trained staff. Their emotional wellbeing was constantly monitored by teachers and the Pupil Premium Lead which meant that PP children were coming to school and they were ready to learn. Pupil Premium attendance was monitored closely and support was given where necessary..

*Internal assessments show pupil progress  
The following percentages show expected or more than expected progress*

% making progress in reading	100%	
% making progress in writing	93%	
% making progress in maths	93%	

### 3. Statement of intent

At Sound and District Primary School, we are committed to giving all of our Pupil Premium children the very best start in life. This begins with ensuring that the quality of teaching across the school is consistently at least good, with an increasing proportion of outstanding practice. The needs of Pupil Premium pupils are central to all that we do, underpinned by a whole-school, consistent approach and high-quality CPD for all staff, including training that specifically focuses on meeting the needs of disadvantaged pupils.

Our aim is for all Pupil Premium pupils to make accelerated progress in the core subjects, so that gaps in attainment between them and their peers continue to narrow. Teachers use same-day intervention and responsive teaching strategies to address misconceptions and close gaps in learning as they arise.

We ensure that every pupil, including those in receipt of Pupil Premium, has access to a wide range of enrichment opportunities, which support improvements in attendance, confidence, readiness to learn and overall wellbeing.

For some Pupil Premium pupils, we provide additional personalised support that goes beyond academic provision. We recognise that children and families may face challenges outside of school, and our staff and Pupil Premium lead work closely with parents to address barriers to learning and, where appropriate, signpost families to further support services.

Through this inclusive, compassionate and aspirational approach, we continue to ensure that Sound and District remains one big family, where we all care for each other, learn together and grow together.

### 4. Barriers to future attainment (for pupils eligible for PP)

#### In-school barriers *(issues to be addressed in school, such as poor oral language skills)*

A.	To support pupils social and emotional needs
B.	To improve attainment and progress in reading and writing for pupils entitled to the Pupil Premium.

C.	To improve attainment and progress in maths for pupils entitled to the Pupil Premium.	
D	To provide financial support for trips, extra-curricular activities and other school costs and opportunities	
External barriers (issues which also require action outside school, such as low attendance rates)		
E.	To work closely with families to improve attendance.	
5. Desired outcomes – Teaching/Outcomes/Wider Approaches		
	Desired outcomes and how they will be measured	Success criteria
A.	Social and emotional needs which affect pupils’ learning	To support pupils’ social and emotional provision through access to appropriate interventions. PP pupils gain in confidence and resilience. Demonstrated by greater engagement in school activities both academic, physical and artistic.
B & C	To improve attainment and progress in Reading, Writing and Maths for pupils entitled to the Pupil Premium.	The majority of the PP children making expected or above expected progress across the year.
D.	To provide financial support for trips, extra-curricular activities and other school costs and opportunities to ensure inclusion.	An increased % of PP children taking up a club each half term leading to improved confidence, attainment and better mental health. More children taking up peripatetic lessons in comparison to last academic year.
E.	To work closely with families to improve attendance.	PP children’s overall attendance is improved through regular contact and support with families.
